

## Peacock theme wedding- 10 ideas to decorate your venue

Many couples decide to give their wedding an original look that will make it one of a kind and memorable to all of their guests. And in their task to achieve this many couples decide to host a theme wedding. While there are as many themes as couples getting hitch each year, one of the most popular themes nowadays is the peacock wedding theme. The main colors for this theme are truly gorgeous and couples just adore celebrating and giving this theme their own signature. Blues and greens in different shades are usually combined with silver, white and gold. But also the peacock theme can take a very different look with non traditional peacock colors. Just using the peacock design, more couples decide to use a different palette. Pinks, purples, lavenders, yellow and red are the most popular unconventional colors used for a peacock theme wedding. And this theme adapts to almost any type of celebration, whether you want to have a vintage or modern look. Wedding decorations, attire and favors are just some of the areas where you can make the theme come to life. Here are 10 quick ideas on how to incorporate the theme to your wedding celebration. 1\* Use peacock feathers to enhance a simple wedding invitation design. Tie them to the invitation with a silk ribbon or glue them at a corner for a creative look. 2\* Wear a peacock inspired shoe. From the painted ones to those that include peacock feathers around your ankle or over the toe area, they are a great item to enhance your bridal look. 3\* Have a peacock feather centerpiece.
